PREFACE

For several years the growing student body of Tazewell High School has presented a problem for both the students and the faculty. We realized that this overcrowded condition must be remedied in order to meet the requirements of the state board and the increasing needs of the students. We feel, that by the adoption of an extended schedule, or "stagger system", as it is popularly called, we have been able to cope with this emergency. Because of this many school activities have been curtailed. But, through the cooperation of the student body and the administration, we have spent a happy and successful year at T. H. S.

Class History

It would be impossible to write the complete history of the Senior Class of 1949 in so brief a space. Most of us began our school days in 1938. Those who started in Tazewell Elementary School and have remained together the eleven years are Bobby Heldreth, Puck Kiser, Patsy Hagy, Jessie Dillaw, Kenneth Janes, Esther Gibsan, Vivian Meek, Dennis Gillespie, Mary June Wall, Marianna Rawlett, and J. P. Barrett.

Time passed and we were completing the seventh grade. Joan Lindsay, Peggy Keister, Ilene Cruise, and Rhea Watkins had joined our ranks.

In 1946 our freshman class assembled. We came from Bishop, Tazewell, North Tazewell, Maxwell, and other nearby communities.

"Wimpy" Janes presided as our president with Jeff Crabtree as vice president and Carl Rhudy as secretary-treasurer. Jeff Crabtree and Daris McAmis were elected best freshmen and Ollie Kate Dillaw was elected cheerleader.

In our sophomore year, Ruth Cachran was the class president. Jeff Crabtree was again vice president and Puck Kiser was secretary-treasurer. The Savings Club and the Veterans Club were among the new organizations formed that year.

Mr. McGhee came to Tazewell High School our junior year as principal. Mr. Walthall, our former principal, became Superintendent of Tazewell County Schools. John Lackhart, Carter Kinder, and Rhea Watkins were our class officers. This year will be remembered because of the success of the prom, which we gave in honor of the seniors. We carried out the "Rainbow" theme. Our plays, under the direction of Miss Macam, Mrs. Davidsan, and Mrs. Mustard were given March 19. The play "I Shall Be Waiting" was entered in the District One-Act Play Tournament at Marian, Virginia. Directed by Miss Macam, the cast included Pete Brittain, Barbara Brawn, Puck Kiser, Edgar Crackett, and Jessie Dillaw.

At last we reached the final phase of our years at T. H. S. Dan Scatt served as president of the student body, and J. P. Barrett was vice president. Our class officers were Rhea Watkins, president; Puck Kiser, vice president; Pete Brittain, secretary-treasurer. Puck Kiser was editor of the Peak with Jessie Dillaw as assistant editor.

Throughout our four years many members of our class excelled in the various sports of our school. Jeff Crabtree was captain of the football team for the 1948 season. During his four years, Jeff made the All-Area Football Team twice. Marie Bowman captained the 1948 girls' basketball team. Margaret Billips successfully led her team mates through a glorious 1949 season.

As we leave we will take a long backward look in memory of many happy days spent, and lasting friendships made, at T. H. S.

Jessie Dillaw, Historian

Class Will

Being of sound mind, body, and spirit, we, the seniors of Tozewell High School, Tozewell, Virginio, hereby make this lost will and testament; and do, on our honor, declare any previous wills or testaments that we may have made, now null and void.

To Mr. McGhee, our principal, and to our teachers, we leave all the best wishes and thoughts of gratitude that our hearts can hold. We sincerely hope that their coming years of teaching may be less tedious and nerve-wrecking than they have been heretofore.

To the privileged juniors we bequeath our high positions of honor, and, in the event that they may accomplish better works than we have, we urge them on to greater heights. Each one of us hopes that they may be as happy as we have been here in T. H. S.

Football Squad

HISTORY OF SEASON

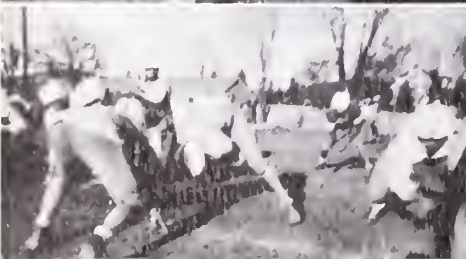

This year a new man appeared in Tazewell. He was about 5' 7" tall and had brown hair. His name was Romsey—Costo Romsey. He brought with him a wife and baby, and another man, who had black hair and was 6' 1"—by name, Loran Ward. These two men were the new coaches of Tazewell High School. They introduced an entirely new system on the gridiron, and turned in a fine season's record of six wins and four losses. On August 20, 1948, ninety-four boys reported to the athletic field for another year of football. These practice sessions consumed the long, hot afternoons until September 10.

On that date, the Bulldogs traveled to Bristol to take on the powerful Virginio High Bearcats. This was the initial game for many of our players and although they put up a tough battle, the Bulldogs took a 33-0 shellacking from the Bristol boys.

A week later, in their first home game, Tazewell played William King of Abingdon. Tazewell scored a 12-6 victory. The game was highlighted by a 40-yard touchdown run by Scott.

On September 24, the Bulldogs beat an underdog, but game, Pocahontas eleven to the tune of 19-6 on the Pocahontas field.

JEFF CRABTREE Captain

The next week, October 1, a good Groham team invaded Tazewell. The game was a tough one for both teams, but the Green and White came out with a well-earned 13-12 victory.

Seven days later the Bulldogs lost their second game of the season to an unbeaten Richmonds team to the tune of 12-7.

In their next game the Tazewell Bulldogs traveled to Marion, only to be upset when the Marion team scored on the last play of the game. The score was 19-13.

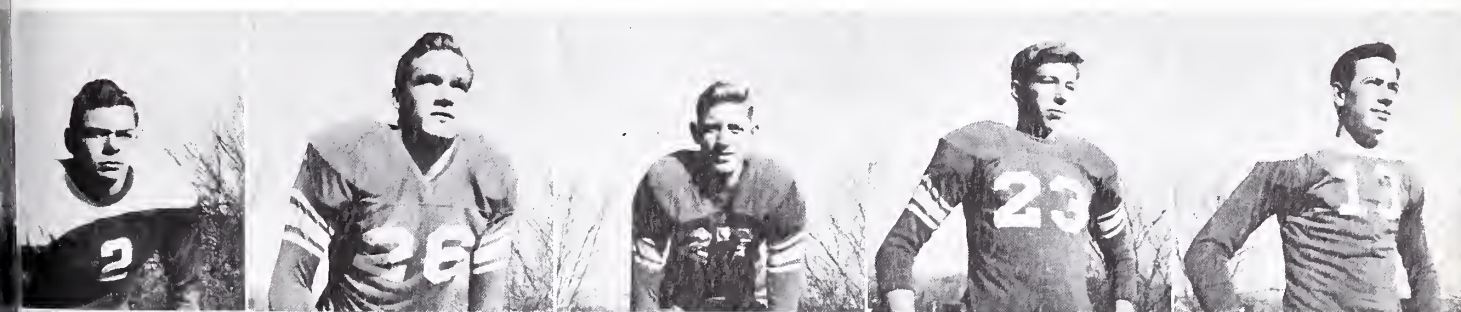

The Green and White got back into the winning bracket the following week when they thrashed Northfork 26-7. Crobtree turned in a brilliant performance, scoring all four touchdowns.

In the game, October 29, with the powerful Princeton team, the underdog Tazewell eleven displayed great spirit and surprising ability to hold the Tigers 6-6 for three quarters. A lack of reserves showed in the last quarter as the Princeton team scored three times. The final score was 25-6.

On November 5, our Bulldogs traveled to Powhatan Field and spilled the Elkhorn eleven by the slim margin of 6-0.

The next Friday night the Tazewell boys played their last game of the season. They entertained the Big Creek eleven in what proved to be one of the most thrilling games. The outcome was Tazewell 20-Big Creek 18.

Congratulations, Coaches Romsey and Ward!!!

Baseball Team

Baseball as an inter-scholastic sport was revived at Tazewell High School in the spring of 1947. Ted Alexander coached the team and had a fairly successful season.

Four letter men reported for practice in the spring of 1948. Coaches A. L. McCall and Clyde Kirby built around these men an outstanding team.

Eleven district games were scheduled. Our team finished second in the district, with a record of nine wins and three losses for the season. This was the best record of any baseball team in the history of Tazewell High School.

Our school is greatly indebted to Mr. McCall and Mr. Kirby for the splendid work done with the baseball team.

Band

This year there has been a welcome and long-awaited addition at our school. T. H. S. has a band! Under the capable direction of Mr. Larry Zingale, our band is expected to be one of the best in this section. The project was one in which the entire town was interested. The task of obtaining instruments was begun with help from many people and organizations. Everyone seemed willing to assist, and by the middle of November most of the instruments were in the hands of the band members. Work was begun in earnest. The band made its first public appearance January 20 at a basketball game at the high school. The band is well under way, and with such widespread interest on the part of the band members and citizens, and under such competent leadership, it can be nothing but a great success.

Howard Eldreth won the second seat in the bass horns in the State Musical Festival at Marian, Virginia.

The Faculty Plays

February 17, hundreds of eager people were turned away—people eager to witness "There'll Come a Day", the annual faculty play. The overflowing audience laughed throughout the performance at the cavartings of the usually staid instructors. The life of the movie-struct Kelton family in a walk-up apartment in Hollywood, (the bathroom shared by at least fifteen people), was ably partrayed by a cast camposed of: Mr. McGhee, father and temporary milkman, but nevertheless an actar; Miss Phelps as Beatrice, the movie-struct daughter; Miss Gillespie as the only sensible one; Miss Richmond as the youngest, who is most concerned with standing on her head; Mr. Ramsey and Mrs. Grey as Mr. and Mrs. McDoughee (Mr. McDoughee by the end of the play has grown a beard because he can't ever get access to the bathroom); Miss Sammy Scott, as Gertie the athletic type; Mr. Zingale as Kenny Leroy also a would-be actar; Mr. Dan Surface as Bill, the plumber who falls in love with Julie; Pete Hawkins, the Russian dancing teacher; Miss Mary Bane as the schoolteacher baak sales-man; Reece Bailey as the brat from down-stairs; Miss Witten as the gum-chewing Eloise, who has sa many boy friends. Miss Nancy Leslie and Mr. James R. Thrope composed the health department; Mr. J. L. Walthall, a real estate agent buys the condemned apartment house.

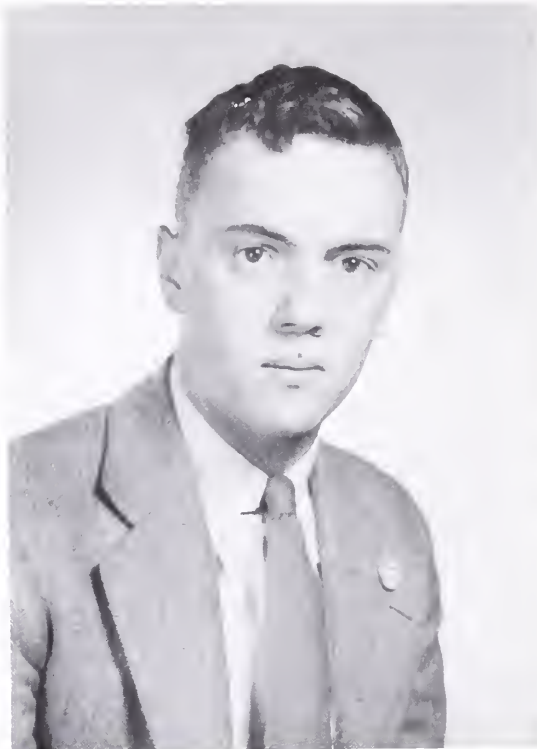

At the last minute Mr. McGhee took the "flu". Mr. Laran Ward, hero of the haur very ably stepped into his shaes and carried the part magnificently.

Miss Ella Bryant Dickenson directed the play.
